

## Accessories of the Futura series

Differential pressure gauge scale ranges: 0-0,5bar

type	part-number	series 1	series 2	series 3	port size	weight
DM 2	9.3700.00.850	Futura	Multi-Fix	Standard	flange connection	0.127 kg

### technical data

- **description:** magnetic piston meter
- **temperature range:** -10°C - +60°C
- **mounting:** vertical
- **case:** ULTRAMID plastic, black
- **scales:** white plastic, pressure = black, colour fields = green/red
- **scale range:** 0 - 0,5 bar
- **max. working pressure:** 16 bar
